

GARAGE SALE FOR THE CANADIAN WILDFOWL CARVING COMPETITION

Location: 40 Ripplewood Cres, Kitchener- that is between Westmount and Fisher Hallman, just above GreenBrook Dr.

Date: **Saturday October 5th, 8 am to 2pm**

Rain date: **Sunday October 6th**

We need items, people and tables

Please donate items – If you have that item you’ve been moving around, more than using, this could be your chance. If you have too little for your own sale, this is the chance to move it out. This is the first of our fundraiser for the 2014 competition.

Something that can bring up to \$ 20 value or more is appreciated.

Bring to next two Thursday meetings in Manheim Sept 26 or October 3

We’ve not done this before, so appreciate your input and suggestions.

Anyone available to help for some or all of Saturday is appreciated. Please advise Adam Belyea at: **519-579-4442** or adam_bBelyea@praxair.com

Tables to set up will be needed.

Will keep you posted on items that come in – just to intrigue you enough to attend and bring a friend.
